Specific conditions are necessary to obtain a Bachelor degree by completion of multiple certificates (in French):

• The program of study plan for this bachelor degree must be approved by the Module Director. .
• the student must inform his/her Module of his/her intention of applying for a bachelor degree by completion of multiple certificates before starting his/her 2nd certificate.
• A bachelor degree by completion of multiple certificates must minimally containt 90 different credits. On these 90 credits, 60 credits must come from a same disciplinary field.
• For calculating this value, credits attached or obtained by Recognition of Prior Learning, cannot be used twice.
• At least one university component must be from UQAT. The course chosen in the program must include at least one integration or capstone course of at least 3 credits (project, training, internship, seminary, or other).
   o In management sciences, at least one of the certificates (administration or accounting) must have been issued by UQAT.
   o Capstone course ADM5102E Case study in management is mandatory for management sciences and mut have been followed at UQAT.
• When a certificate or a minor has served to obtain a bachelor degree by completion of certificates, it cannot be used for the issuance of a second bachelor degree of that type.
• A student has a maximum of 15 years starting the first course of his first certificate to complete a bachelor degre by completion of multiple certificates.

Candidate must subumit an Appplication for Admission for each program, as well as a request for Additionnal Credits (0014).
Student may, in certain occasions, receive a bachelor degree, but not all combinations of certificates or minors automatically lead to a bachelor degree. The undergraduate degree issued after cumulation of certificates are one of the 5 following :

- Baccalauréat en administration des affaires par cumul (autochtones) B.A.A. (7685)

- Baccalauréat arts, B.A. (7995)

- Baccalauréat sciences, B. Sc. (7996)

- Baccalauréat ès sciences appliquées, B. Sc. A. (7997)

- Baccalauréat en administration des affaires, B.A.A. (7999)

Regulations regarding the issuance of a Bachelor degree by completion of multiple certificates or minors can be consulted in the document Regulation no. 3 - Undergraduate studies available on the UQAT website.
